1 Please answer each question below:

1.1 The teaching on the module has been good.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.2 The module has been explained well.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.3 The module is interesting.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.4 The lecturer has been available.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.5 The lecturer has listened to comments and responded.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.6 The approach to teaching on the module, which involves lots of practical work and doing things is clear and it works well.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.7 The module has stretched me and I have learned from it.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.8 The Assessment criteria were (and are) clear.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.9 Assessment hand in, documentation etc.. were clear.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.12 The course has been well organised.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

- 1.13 If you have had to have adjustments made to your learning, such as a Learning Support plan or a timetable change, these have been easy to arrange and have worked well.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

- 1.14 The lab resources are sufficient.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

- 1.15 Lab availability is sufficient.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.16 Having a dedicated lab has benefited my learning.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.17 The module has provided me with appropriate skills that will enhance my employment prospects when I graduate.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.18 There is appropriate emphasis in the module on skills that would be needed for commercial employment and/or further education.

1.a Things I have liked about the course and/or things that are good about it.

Showing 1 response

I love the lectures and think they explain the concepts quite well. 866859-866841-91792594

1.a.i Things I have not liked about the course and/or things that could be done to improve it.

Showing 1 response

I would like if there was more practical work, even if it were just an example of some game engines concept I could play around with, rather than just a lecture each week. 866859-866841-91792594
