Response rate: 10%

1 Please rate your experience of this module so far

1.1 The quality of teaching on the module has been good.

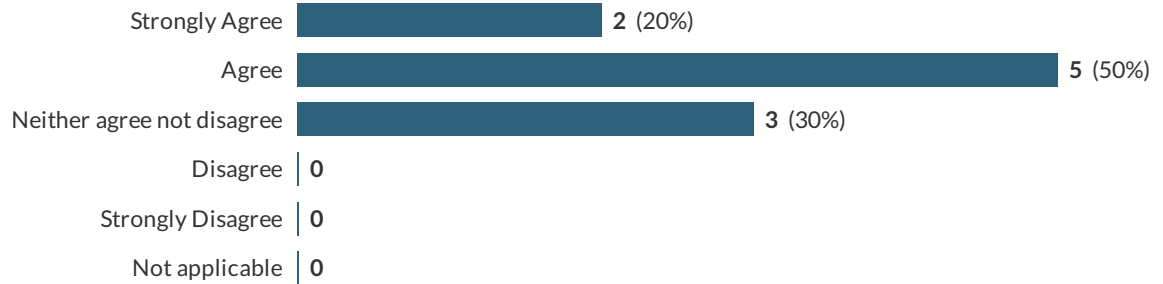

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.2 The practical "learning by doing approach" to teaching has benefitted me.

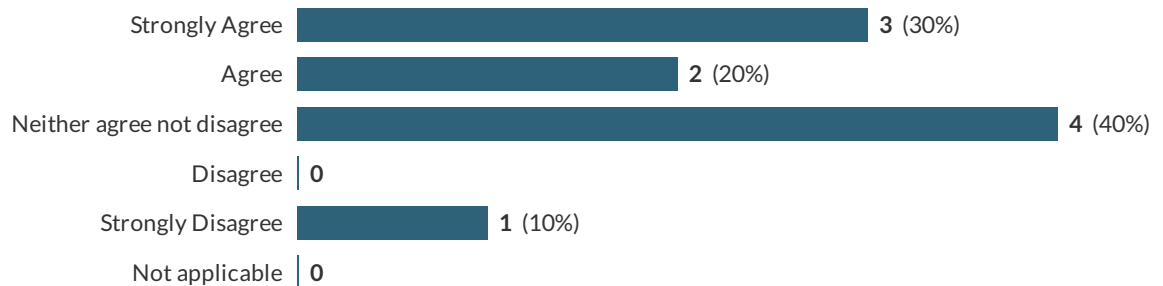

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.3 The module has stretched me.

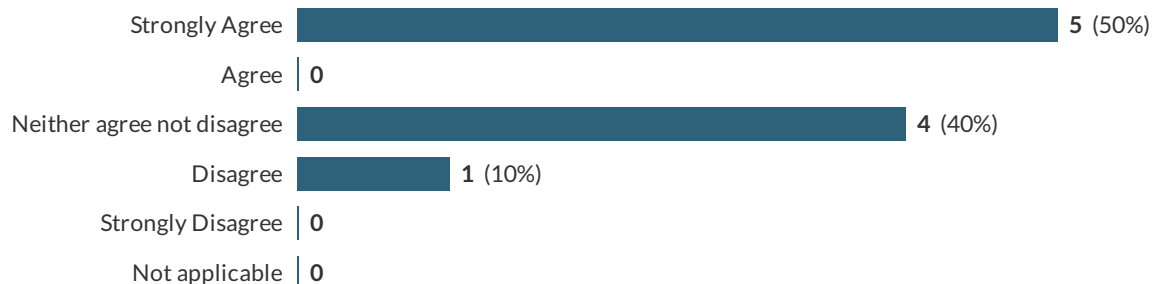

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.4 The dedicate lab work-space has helped my studying.

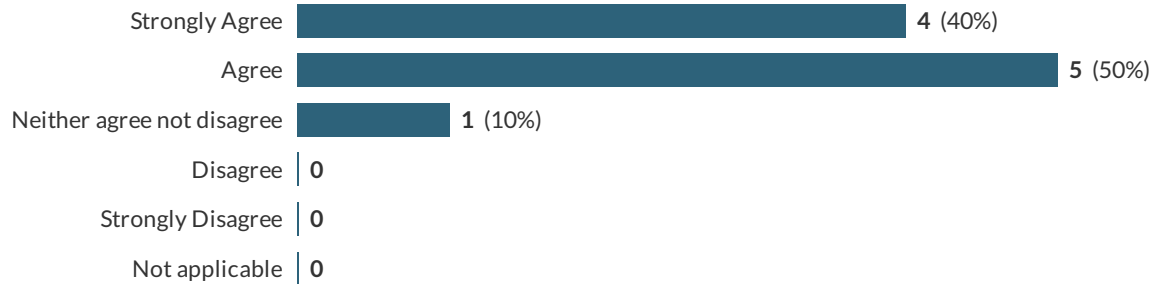

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.5 The learning environment, such as lab availability, the Moodle pages, the hardware and software is good.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.6 The module is providing me with good skills that enhance my employability.

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.7 if you have had to have adjustments made for your study on this module, they have been easy to arrange and have worked effectively

Multi answer: Percentage of respondents who selected each answer option (e.g. 100% would represent that all this question's respondents chose that option)

1.a STOP or CHANGE Please type in here any elements of the course or its teaching, if there are any, that you feel hinder you are stop you from learning. This may include topics, teaching practices, timetable issues, rooms and equipment (including lack of or deficiencies in).
